This is an author, title, and subject index to articles, editorials, calendars, and reviews published in *Middle East International* during 1990. All matter except the abstracts from Arab and Israeli presses and the letters which appear on the back page of each issue are represented. The numbers in bold type are issue numbers, followed by page numbers in regular type. The titles of books and films are indexed under the headings: "Books" and "Films", respectively. Newspapers, journals, reports, position statements and other primary source materials are indexed directly under their titles. The names of contributors of published materials are printed in bold type.
